COVADIS – 5yr Strategy Meeting

1. **Mission Goals** - are we achieving them?
2. **Microvascular Angina Registry** – can we do better?
3. **Website** – will it facilitate achieving our mission?
4. **Research** – new directions?

COVADIS – Mission Statement

Coronary Vasomotion Disorders International Study group

- Establish consensus on vasomotor nomenclature
- Raise awareness of coronary vasomotor disorders
- Promote international collaborative research
